

PLANNING TIMELINE & CHECKLIST

SHSAT 2020 EXTENSION

JAN. 4-10**Take Practice Tests**

- Take reputable practice tests and review the test with an SHSAT specialist.
- Consider joining a live-proctored weekend [practice test](#). Or join a [small-group review](#) of the practice tests in our [best-selling workbook](#).

JAN. 18-24**Join Office Hours**

- Register for up to two 1.5 hour-long [office hours](#). Submit questions in advance and join a small group to review.
- Consider taking one last [practice test](#).

JAN. 27**Take Official Test**

- Eat a protein-rich meal for lasting energy. Avoid caffeine.
- SHSAT will be hosted at student's school beginning on this date. Test dates may vary.

DEC. 18 - JAN. 3**Resume Studies**

- Revisit coursework, homework, and practice tests. Track the questions or topics that still confuse you.
- Take our [self-paced practice tests workshops and content clinics](#) to get back up to speed. Or, start working with a [tutor](#).

JAN. 11-17**Join a Live-Taught Refresher**

- Join a 2.5 hour-long, [live-taught refresher class](#). *(Students enrolled in our paid SHSAT 2020 courses are already enrolled in this Bonus Class. A fee-based refresher class will be offered separately.)*
- Consider taking another [practice test](#).

JAN. 25-26**Pre-Test Routine**

- Practice visualization. See yourself employing the strategies you learned.
- Do some light review on key strategies and content. Know that you've done what you can. Be confident.
- Pack your bag (pencils, erasers, testing ticket, etc.) for test day.
- On Jan 26, get lots of sleep. No staying up late!
